

Penns Woods Winery

Merlot

This wine is 100% merlot, with a strong varietals character, and yet an identity all its own. Possessing a full saturated deep purple color, aromas of dark fruit such as blackberry, as well as classic aromas of coffee grounds and cocoa, this wine has a vibrancy and fullness of texture with dusty tannins to finish.

Pairs well with most meat dishes. Also a good companion to grilled salmon or tuna.

French Oak
