Pinot Grigio Reserve

The intent of Winemaker Gino Razzi, successfully achieved, was to make a bold, powerful Pinot Grigio that has the class and refinement of Alsace, the refreshing qualities of Italy, but with the bold, massive structure of New World ripeness.

Barrel fermented and aged for 8 months in second year conditioned French oak; this pinot possesses a rich, clear, bright gold appearance. Its full, voluptuous texture supports spicy vanilla, honeydew, and black pepper notes.

Pair with veal dishes (especially with mushroom sauces) or prosciutto with melon.
