

Penns Woods Winery Wine Club

April 2017

Proprietor Reserve 2014 – Pre-Release – This wonderful blend of Cabernet Sauvignon and Merlot is deep red in color with flavorful dark red fruit notes that provide a long finish. This wine is the best of both worlds in one glass. The Cabernet introduces bright plum flavors at the front with the Merlot bringing in notes of sweet cherry and smoke at the finish. Drink now or age 4-5 years.

Pairs well with braised pork, grilled meats or even pasta with red sauce.

Ameritage Reserve 2005 – Library – A complex nose full of dark cherries and semi-sweet chocolate, which transitions into bursting ripe red fruit on the palate. Soft tannins round out a long superb finish. A Bordeaux blend redefining what people think about not just East coast wines, but American wines in general. Ready to enjoy now.

Pairs well with classic beef or game dishes, dark chocolate and Camembert cheese.

White Dog Red – A signature wine made exclusively for White Dog Café. This wine is bursting with red ripe cherry at the front of the palate and finishes with well-balanced, velvety tannins. Drink now or age 3-4 years.

Pairs well with Candied Bacon Maple Cheddar Burger.
