Red Wine List- July 2019

Merlot 2015 -

Enticing aromas of overripe black cherry and dried floral undertones lead to a palate with a smooth body and bold tannins, notes of raw cacao, blackberry and hints of charcoal.

Pairs well with mushroom risotto and pork chops.

Cabernet Franc Reserve 2016-Pre-Release-

Fruity nose of strawberry jam, raspberry and black currant. Light to medium bodied with gripping tannings that are well balanced with acidity. Notes of licorice and allspice on the palate.

Pairs well with roasted pork, turkey with cranberry sauce, wild game, and goat and feta cheeses.

Chambourcin Reserve 2015-

Brilliant garnet in color, this wine has plum and cherry on the nose with mushroom and hints of olive pit that follow through onto the palate. Light-in-body & beautifully structured with a long, lingering finish.

Pairs well with Game meats, BBQ/savory sauces, & roasted root vegetables.
